Valentine's Day Rally at the Sacramento Capitol

On Monday, February 13, the Team Will community of cyclists (www.team-will.org) will ride to the Capitol's West Steps to receive a Senate Resolution from Senate President pro Tempore Darrell Steinberg. The news media and community members will hear from Pro Tem Steinberg, Team Will representatives, and Team Will heroes and families before the cyclists begin their group ride to nearby UC Davis Children's Hospital. At the hospital, cyclists will deliver handmade Valentines from local school kids, bringing love and support to the courageous children and families there affected by cancer this Valentine's Day.

This is a public outreach event to raise awareness of childhood cancer, and bring hope and love to this community of children and their families.

Senate President pro Tem Steinberg and Team Will are inviting the media and community members to participate. There will be one-on-one interviews and photo opportunities available with Team Will's cyclists, heroes, and families on the Capitol West Steps during the event. Interviews and photo opportunities will also be available outside of the UCD Children's Hospital at 2315 Stockton Blvd., Sacramento. The group of cyclists will convene at the main entrance facing X Street prior to their 2:30 p.m. entrance and again after Team Will's hospital visit concludes at approximately 3:30 p.m.

The event begins on February 13, 2012, at 12:45 p.m., at the West Steps of the California State Capitol in Sacramento. Please try to arrive between 12:20 and 12:40 pm so a crowd will have formed by the start time. Please try to wear Team Will gear and bring a portrait of any children who have been affected by cancer in order to honor their fight and lives.

WHEN: Monday, February 13th at 12:45 p.m.

WHERE: Begin at West Steps of the California State Capitol, Sacramento, CA

Thank you for being a part of Team Will. Please spread the Breakaway by sharing this newsletter with your friends and associations!

**Sincerley,
Team Will**
