**Welcome to Team Will's Breakaway**, an electronic newsletter to update you on Team Will's activities and programs. Team Will is a community of volunteers who share the joy of cycling.

Our goal is to raise awareness for children with cancer and their families, to advocate for their needs, and to support research so every child can survive and lead a long and healthy life.

Cyclists of all skill levels and ages across the country have joined Team Will and are promoting a community that imparts a coherent, credible voice to educating society about childhood cancer through various cycling activities and partnering with organizations to provide resources to families affected by childhood cancer.

### Join Team Will at Folsom Cyclebration!

Look for Team Will at the Vendor Expo at Folsom's Cyclebration. Cyclebration is a family friendly weekend of bicycle riding and racing centered around the trails, lakes, and history of Folsom. Thirteen different events, from Time Trials to a Scavenger Hunt, will provide riders of all ages and levels a chance to participate. Team Will will be raising awareness and advocating for children's cancer awareness at this cycling-centric community event. The Festival & Expo will be held at Folsom City Lions Park on Stafford Street on Saturday, September 17th from 10am-5pm. Bring the kids-we'll have coloring pages and informative handouts for everyone. And don't forget to wear your Team Will t-shirt!

### TW Thanksgiving 2011 Ride

Team Will is planning a ride the week before Thanksgiving in order to serve as a kick-off for next year's cross-country trip. We are planning a route between San Francisco and Sacramento, starting by dipping our wheels into the Pacific Ocean and ending at a hospital for a visit with the children. Later that night we will have a fundraiser dinner. Interested in riding or helping? Send us an email!

### 2012 Route Complete

The Go the Distance 2012 route has been finalized and approved by the Board of Directors. The route totals 3597 miles with 131,000 feet of climbing. Major cities include San Francisco, CA; Salt Lake City, UT; Denver, CO; Kansas City, KS; Indianapolis, IN; Columbus, OH; and Boston, MA. The next step is to engage with hospitals along the route to arrange visits. Stay tuned for future updates!
